

Environmental Policy

We strive to play our role in sustainability to protect and preserve the environment for future generations

We are committed to conducting our business in an environmentally friendly manner by adhering to the following:

Our Objectives 2021

To achieve zero food waste from our catering department

Reduce water usage by 5% from 215 litres/sleeper to 204 litres

Reduction of energy from 458kwh to 435kwh down 5% on last year

To reduce unnecessary packaging with our suppliers
