Purchasing Policy

The Mespil hotel is committed to using local suppliers when available in every department. We strive to use Irish products and Irish designers.

We only use suppliers from the Republic of Ireland and have verbal agreements where possible to ensure all products are produced in Ireland when in season and when readily available.

Although a lot of our products come from Irish suppliers and are produced in Ireland the raw ingredients that go into making these may not always be from Ireland.

We are proud to support local business and charity's, The Gavin Glynn foundation and Dublin Zoo.

Below is a sample of suppliers we are proud to work with;

- Our supplier's only use Irish chicken and meat products and are an advocate for sustainability in the industry. We purchase our meats from Eagans butchers Dublin 12 and the award-winning Robinsons meats Dublin 12.
- Kish Fish based in Howth, Dublin supply our fresh seafood. They are committed to sourcing their seafood from certified sustainable fisheries, ensuring that they contribute to the long-term health of fish populations and their habitats. Kish Fish are proud Gold members of Origin Green Ireland.
- We have a managed print service with Stacked, a local Irish start up 2002 now a leading supplier of stationary and printing in Ireland. We use these for our stationary good also and always choose Irish products when available.
- All of our personalised merchandise is purchased from Tara Slevin group, a proud member for the guaranteed Irish programme.
- Printing work is carried out by Hackett digital on Baggot Street, Hackett's have been serving Dublin since 1954. They are a proud partner of One Tree Planted and are able to support their reforestation projects that span the globe, and are done in partnership with local communities and knowledgeable experts to create an impact for nature, people, and wildlife
- We are very proud to use local designer CLR Design in all aspect of the hotel and continue to work closely with Ciara when choosing art work, furniture and décor for the hotel.
- Our mattresses or produced by KING KOIL a member of the guaranteed Irish scheme. KING KOIL supports 300 jobs in Kildare and Dublin directly, plus hundred's more indirectly through our supply chain. We are proud to keep Irish furniture and bed making crafts alive for quilters, sewers, woodworkers, spring makers, upholstery workers, designers and many others who can find local employment and develop their skills.
- Carlow Brewing Company supply some of our draft and bottled beers. They embrace a progressive, eco-driven brewing process, that in turn gives their customers the choice to make a difference when selecting their beer. Their employees actively promote the natural ingredients and hand crafted ethos behind all of their beers and take their position as a provider of a sustainable working craft brewery very seriously.
